February 2018

Welcome to Taney Youth Baseball Association's magical **25th season!** It is time for baseball evaluations, where coaches can observe players. *All registered players (except wait-listed players) will be placed on a team; evaluations are to help in assembling evenly-talented teams.*

- Evaluations are scheduled for **Saturday, February 24 and Sunday, February 25, 2018** for **AAA and Minor Leagues**. Major League and 13-15 Division will be on Friday evening, February 23 and Saturday evening, February 24 at a separate location.
- Evaluations are **REQUIRED** for baseball players who will be ages 7 and up as of 8/31/18 (and for any 6-year-old players trying out for baseball).
- TEE-BALL & PEE WEE PLAYERS (ages 6 and under as of 8/31/18) do not attend.**
- Your child must attend with his or her age group (see age ranges above).
Exception: Occasionally players wish to try out for the next higher division ("playing up"). In this case, they should attend the evaluations with the age group they are requesting, and let the evaluation team know their actual baseball or softball age. We do not permit children to try out to "play down" an age level in baseball.
- Each individual evaluation takes about 15 minutes. Your child does not need to be present during the entire time for his or her age group.
- Your child should bring a baseball glove.
